

Southern California Region Narcotics Anonymous Youth Sub-Committee
Guidelines
(Revised June 2014)
NAYC Definition of Purpose

“Today’s decisions may affect tomorrow’s members. When we think of solutions to our current problems, it’s not hard to consider the needs of our group, area, our regions or even the worldwide fellowship. But it’s also important to remember the ‘unseen members’ in our decisions-the members yet to come. When we work to ensure the vitality of NA we’re not working just for ourselves but for those yet to join us.” It Works: How and Why, Page 129

The primary goal of the Southern California Regional Narcotics Anonymous Youth Sub- Committee (from here on, referred to as the NAYC) is to support the groups we serve in their efforts to further our fellowship’s primary purpose: to carry the message to the still-suffering addict. Our primary approach will be to function as a sub-committee of the Southern California Region of Narcotics Anonymous (from here on, referred to the RSC). We believe the NAYC will promote unity within the fellowship by giving young people a voice in service and a sense of belonging within the community of Narcotics Anonymous as a whole. The NAYC will serve to encourage young addicts to get involved in their recovery enough to care about others and themselves by providing services to the fellowship. By setting an example, the trusted servants of the NAYC will show new young addicts that being of service and giving back is part of how we stay clean. This sub-committee will give young recovering addicts an opportunity to be introduced to regional service by mentors that are their peers, giving them a foundation for future service positions. We will also strive to make all Narcotics Anonymous meetings safe and friendly environments for parents to drop off their teenagers. We hope to make recovery available to underage youth who need parental consent to come to NA meetings. We will participate in outreach work in our communities to plant seeds of recovery in young addicts and let them know that no one is ever too young to find recovery in NA. The NAYC was started in the spirit of unity to help all addicts who want to stop using and find a new way to live.

“Our membership is richly varied, made up of many addicts from widely differing backgrounds. These members bring with them a variety of ideas and talents. That diversity enriched the fellowship and gives rise to new creative ways to reach addicts who need our help.” It Works: How and Why, page 127
