VIII. Misappropriation/Misuse of Funds and Misconduct

The 11th Concept of NA Service establishes the sole priority for the use of NA funds: "to carry the message to the addict that still suffers". The 12th Concept of NA Service gives the SCRSC a mandate from the NA groups, which call for total fiscal accountability. With this in mind, any misappropriation or misuse of funds, by any Regional trusted servant(s), or NA member(s), cannot be tolerated.

- A. The definition of "misappropriation of funds" includes, but is not limited to, theft, embezzlement, or use of N.A. funds for purposes not expressly authorized by a Regional committee, or ad hoc committee. This includes the theft of cash, check, any financial instrument (i.e. refunds, royalties, or rebates from vendors to the N.A. fellowship), or asset (i.e. equipment, supplies, or physical inventory).
- B. Misconduct
Misconduct is defined as; any action contrary to the *12 Traditions of NA*, the *12 Concepts of NA Service*, the *Guidelines of the SCRSC*, the guidelines of a SCRSC subcommittee, or ad hoc subcommittee (if applicable), as well as, any violation of a California state, or US Federal law, to the extent that such misconduct is detrimental to the NA fellowship. This includes conduct that creates a benefit to a member, or outside enterprise, and to the detriment of the NA fellowship.
- C. Interim Action – Suspension
Should any SCRSC Executive Committee member, committee member, or any non-elected NA member, be suspected to have misappropriated or misused SCRSC funds, or have been involved in misconduct: the SCRSC Executive Committee duly elected officers will vote, in person, or by phone, to immediately "suspend" the member(s) involved from further Regional Service. Suspension in this instance, is not a disciplinary action; it is the pause in active service, to allow time for an investigation of an incident.
 - 1. A suspended officer, or member, may no longer represent him/herself to the fellowship, or service Boards/Committees as an officer, or member of the SCRSC, its committees, and its ad hocs. Additionally, a member, upon notification of being suspended, by phone or letter from the Chair, may not be reimbursed for any service-related expenses, incurred during the course of their suspension.
 - 2. Upon suspension of any member(s), the SCRSC Executive Committee duly elected officers, must make a full and timely investigation of the matter, and report the findings at the next SCRSC meeting.
 - 3. Any member who participates in, or who has knowledge of, the suspected misappropriation or misuse of SCRSC funds, or misconduct, shall be subject to the same actions taken against the member(s), and are required to be present at the SCRSC.
 - 4. The presiding officer of the SCRSC, immediately upon calling the following SCRSC to order, must report all interim actions/decisions made by the Executive Committee, duly elected officers, fully disclosing the alleged misappropriation or misuse of SCRSC funds, or misconduct, and the individual(s) involved. Any

member suspected of misappropriation, or misuse of SCRSC funds, or misconduct, may exercise the 10th Concept of N.A. Service, to redress the issue at this time.

- D. SCRSC Action – Removal and Reinstatement
Once the SCRSC Executive Committee’s duly elected officers investigate, and report to the SCRSC its findings of the suspected violation of this section; the SCRSC must immediately vote on a motion to: a) remove the individual(s) from office, and/or the committee "with cause", b) to reinstate, or c) to extend the investigation. The Chair will notify said member, and/or committee, by either phone or certified mail, as well as notify their area, by e-mail, as well as a letter, delivered via the area’s RCM.
1. Should the SCRSC remove an officer(s), or member(s) with cause, the said individual’s participation within the SCRSC is immediately terminated.
 - a. Any member removed from office, and/or committee by SCRSC for misappropriation of NA funds, may no longer represent themselves to the fellowship, or service Boards/Committees, as an officer or member of the SCRSC, its committees, or its ad-hocs for a period of five (5) years from the date of interim suspension.
 - b. Any member removed from office, and/or committee by the SCRSC for misconduct, may no longer represent themselves to the fellowship, or service Boards/Committees, as an officer or member of the SCRSC, its committees, and its ad-hocs for a period of 2 to 5 years, at the discretion of SCRSC, on a case-by-case basis (This period of time will be voted on and determined at the time of removal from office, and/or committee).
 - c. If a trusted servant resigns from office, or a committee, prior to the SCRSC having taken the aforementioned action, or reaching a final resolution, the SCRSC shall proceed to suspend the trusted servant. The SCRSC shall investigate the matter, and follow the aforementioned process to its normal conclusion.
 2. Upon reinstatement, by a required two thirds vote of the SCRSC, said member’s suspension will be lifted, and the member will resume their role as a full participant of the SCRSC, its committees, or ad-hocs, as applicable.
- E. Restitution
1. A member removed from office for the misappropriation, or misuse of SCRSC funds, might be subject to criminal and/or civil legal proceedings. A two thirds majority vote of either the SCRSC, or the SCRSC Board of Directors, shall be required to file charges with the local law enforcement agencies, inclusive of the local police, and District Attorney’s Office.
 2. Members removed from office for the misappropriation, or misuse of SCRSC funds may, at the discretion of the SCRSC, or SCRSC Board of Directors, be asked to sign a promissory note, and make restitution in full, of all misappropriated, or misused SCRSC funds, in lieu of filing charges.

IX. ELECTIONS

- A. Nominations and elections for all officers, and participants listed in Section V will be held in May of each year. *Training will be conducted in June for all newly elected officers and participants before they will take office in July.*
- B. All nominees must be present, at the time of their nomination, for election to a position on the SCRSC.

- C. In the event of a vacated office, special elections may be held to fill in the position temporarily, until the next regularly scheduled election. Temporary elected positions will not count as a full term. Individuals elected are still able to serve 2 full terms.
- D. SCRSC duly elected alternate officers (as defined in Section V.A.1.), and committee/ad-hoc alternates, i.e., Vice Chair and Alternate Treasurer do not automatically assume the vacated position of their chair. They must be affirmed by the SCRSC.

Voting Policy

Basic rule of all voting.

When determining the outcome of the vote, be concerned only with the number of YES and NO votes cast, not the number of people present – since no one is required to vote.

1. Majority vote.

Definition: A majority means more than *half the total of the YES plus the NO votes cast*. As a result, *majority* means that more than half the people entitled to, and who choose to take a position on the motion by way of their vote must approve the motion for it to pass.

How to tally: The following scenario illustrates what we mean by *majority vote*:

Number of votes cast(c) *	Number needed for a majority(d)
12 votes	7 votes
17 votes	9 votes
18 votes	10 votes
19 votes	10 votes

When valid: for a majority vote to be valid the following conditions must be observed:

- The meeting must be correctly called, with the members notified properly
- There must be a quorum present (note: at the SCRSC once a quorum is established it remains in effect until the close of the meeting).
- *Abstentions do not count in the tally.

2. Two-thirds vote.

Definition: This means that at least two-thirds of the members entitled to, and who choose to take a position on the motion by way of their vote must cast ballots in favor of the issue being debated. [For clarity the following formula will be used in determining *two-thirds*: the YES(a) votes added to the NO(b) votes = TOTAL(c) votes. So $((a + b) / 3) \times 2$ = the two-thirds necessary(d) or twice the number of YES votes as NO votes.

How to tally: The following chart shows how a two-thirds vote is tallied:

Number of votes cast(c) *	Number needed for a 2/3 vote(d)
12 votes	8 votes
17 votes	12 votes
18 votes	12 votes
19 votes	13 votes

When valid: for a two-thirds vote to be valid the following conditions must be observed:

- The meeting must be correctly called, with the members notified properly
- There must be a quorum present (note: at the SCRSC once a quorum is established it remains in effect until the close of the meeting)
- *Abstentions do not count in the tally.

3. *Polling of abstentions*

In the event there are enough abstentions that could change the outcome of the vote then at the discretion of the Chair or at the request of the Body the abstentions may be polled to see if there is any information that they need in order to take a position on the motion and to ensure that the motion is clearly understood.

Right of abstention. No member can be compelled to vote. As a result, every member has the right to abstain

Recommendations. Is not recommended that an organization base its voting requirements on the number of members present at a meeting. In such cases an abstention would be counted as a negative vote, the organization would, in effect, be denying members the right to remain neutral. In addition, members who do not vote because they are indifferent to an issue can have a pronounced negative effect on the outcome of the vote. If an organization does want to change the basis for deciding a vote from a majority or two-thirds vote to something else, previous notice of the intention must always be given. This means members must be notified at a prior meeting.
