The 12th Concept of NA Service gives the SCRSC a mandate from the NA groups which call for total fiscal accountability. With this in mind, any misappropriation or misuse of funds by any Regional trusted servant(s) or NA member(s) cannot be tolerated.
- B. The definition of “misappropriation of funds” includes, but is not limited to, theft, embezzlement, or use of NA funds for the purposes not expressly authorized by a SCRSC committee, or an ad-hoc committee. This includes the theft of cash, checks, any financial instrument (i.e., refunds, royalties, or rebates from vendors to the NA fellowship), or asset (i.e., equipment, supplies, or physical inventory).
- C. Misconduct is defined as, any action contrary to the 12 Traditions of NA, the 12 Concepts of NA Service, the SCRSC Guidelines, the guidelines of a SCRSC committee or ad-hoc committee (if applicable), as well as any violation of a California State or US Federal law, to the extent that such misconduct is detrimental to the NA fellowship. This includes conduct that creates a benefit to a member or outside enterprise and to the detriment of the NA fellowship.

SCRSC Guidelines

or misused SCRSC funds or have been involved in misconduct, the SCRSC Executive Committee will vote in person or by phone, to immediately suspend the member(s) involved from further Regional service. Suspension in this instance is not a disciplinary action, it is the pause in active service to allow time for an investigation of an incident.

2. The suspended officer or member may no longer represent him/herself to the fellowship or service boards/committees and its ad-hoc committees. Additionally, a member, upon notification of being suspended by phone or letter from the Chair, may not be reimbursed for any service-related expenses incurred during their suspension.
3. Upon interim suspension of any member(s), the SCRSC Executive Committee must make a full and timely investigation of the matter and report the findings at the next SCRSC meeting.
4. Any member who participates in or who has knowledge of the suspected misappropriation or misuse of SCRSC funds or misconduct, shall be subject to the same actions taken against the member(s) and are required to be present at the SCRSC.

Immediately upon calling the following SCRSC to order, the presiding SCRSC officer must report all interim actions/decision made by the Executive Committee fully disclosing the alleged misappropriation or misuse of SCRSC funds or misconduct and the individual(s) involved. Any member suspected of misappropriation or misuse of SCRSC funds or misconduct, may exercise the 10th Concept of NA Service to redress the issue at this time.

E. SCRSC action-removal and reinstatement

1. Once the SCRSC Executive Committee investigates and reports to the SCRSC its findings of the suspected violation of this section, the SCRSC must immediately vote on a motion to remove the individual(s) from office and/or the committee with cause, to reinstate, or to extend the investigation. The Chair will notify said member(s) and/or committee by either phone or certified mail, as well as notify their Area by email, as well as a letter delivered via the Area's RCM.
2. Should the SCRSC remove an officer(s) or member(s) with cause, the said individual's participation within the SCRSC is immediately terminated.
 - a) Any member removed from office and/or committee by SCRSC for misappropriation of NA funds, may no longer represent themselves to the fellowship or service boards/committees as an officer or member of the SCRSC, its committees or its ad-hoc committees, for a period of five (5) years from the date of interim suspension.
 - b) Any member removed from office and/or committee by the SCRSC for any misconduct, may no longer represent themselves to the fellowship or service boards/committees as an officer or member of the SCRSC, its committees and its ad-hoc committees for a period of 2 to 5 years as determined at the discretion of the SCRSC, on a case-by-case basis (this period of time will be voted on and determined at the time of removal from office and/or committee).

SCRSC Guidelines

- c) If a trusted servant resigns from office or a committee prior to the SCRSC having taken the aforementioned action or reaching a final resolution, the SCRSC shall proceed to suspend the trusted servant. The SCRSC shall investigate the matter and follow the aforementioned process to its normal conclusion.
 3. Upon reinstatement by a required two-thirds vote of the SCRSC, said member's suspension will be lifted and the member will resume their role as a full participant of the SCRSC, its committees or ad-hoc committees as applicable.
- F. Restitution
 1. A member removed from office for the misappropriation or misuse of SCRSC funds might be subject to criminal and/or civil legal proceedings. - B. All nominees must be present at the RSC at the time of their nomination for election.
- C. All nominations require a second.
- D. In the event of a vacated office special elections may be held to fill in the position temporarily until the next regularly scheduled election. Temporary elected positions of less than six months will not count as a full term. Individuals elected in this instance are still able to serve two full terms.
- E. SCRSC duly elected officers do not automatically assume the vacated position of a chair; they must be affirmed by the SCRSC.

X. COMMITTEES

- A. Committees are directly responsible to the SCRSC. It is necessary to clearly define the responsibilities of these committees so that they may fulfill the purpose for which they are created.

1. A bank account and operating reserve where applicable.

- H.** When a SCRSC committee or ad-hoc committee member has a family relationship or the potential appearance of a conflict of interest with a vendor or any person that is being considered for, or has been awarded, a contract, or is otherwise paid for any services, full disclosure of that relationship or potential conflict of interest, must be made at the SCRSC meeting following the establishment, or potential establishment, of the relationship or conflict of interest.
- I.** Any SCRSC committee or ad-hoc committee must get a minimum of three written bids from separate vendors/contractors, before awarding a contract for services and/or products over \$500.00 with the following exception, if there are not three sources available.

VOTING POLICY

I. BASIC RULE OF ALL VOTING:

A. When determining the outcome of the vote, be concerned only with the number of YES and NO votes cast, not the number of people present-since no one is required to vote.

1. Majority Vote:

a) **Definition:** A majority means more than half the total of the YES plus the NO votes cast. As a result, *majority* means that more than half the people entitled to and who choose to take a position on the motion by way of their vote must approve the motion for it to pass.

b) **How to tally:** The following scenario illustrates what we mean by majority vote:

Number of votes cast (c) *	Number needed for a majority (d)
12 votes	7 votes
17 votes	9 votes
18 votes	10 votes
19 votes	10 votes

c) **When valid:** For a majority vote to be valid the following conditions must be observed:

- (1) The meeting must be correctly called with the member notified properly.
- (2) There must be a quorum present (note: at the SCRSC once a quorum is established it remains in effect until the close of the meeting).
- (3) *Abstentions do not count in the tally.

2. Two-thirds Vote:

a) **Definition:** This means that at least two-thirds of the member entitled to and who choose to take a position on the motion by way of their vote must cast ballots in favor of the issue being debated. For clarity, the following formula will be used in determining two-thirds: the YES (a) votes added to the NO (b) votes = TOTAL(c) votes. So $(a + b) / .667 =$ the two-thirds necessary (d) or twice the number of YES votes as NO votes.

b) **How to tally:** The following chart shows how a two-thirds vote is tallied:

Number of votes cast (c) *	Number needed for a 2/3 vote (d)
12 votes	8 votes
17 votes	12 votes
18 votes	12 votes
19 votes	13 votes

c) **When valid:** For a two-thirds vote to be valid the following conditions must be observed:

- (1) The meeting must be correctly called with the members notified properly.
- (2) There must be a quorum present (note: at the SCRSC once a quorum is established it remains in effect until the close of the meeting).
- (3) *Abstentions do not count in the tally.

3. Polling of Abstentions:

- a) In the event there are enough abstentions that could change the outcome of the vote, then at the discretion of the Chair or at the request of the body, the abstentions may be polled to see if there is any information that they need in order to take a position on the motion and to ensure that the motion is clearly understood.
- b) ***Right of abstention:*** No member can be compelled to vote. As a result, every member has the right to abstain.
- c) ***Recommendations:*** It is not recommended that an organization base its voting requirements on the number of members present at a meeting. In such cases, an abstention would be counted as a negative vote, the organization would in effect be denying members the right to remain neutral. In addition, members who do not vote because they are indifferent to an issue can have a pronounced negative effect on the outcome of the vote. If an organization does want to change the basis for deciding a vote from a majority or two-thirds vote, to something else, previous notice of the intention must always be given. This means members must be notified at a prior meeting.
