- X. Misappropriation/misuse of funds and misconduct
 The 11th concept of NA service establishes the sole priority for the use of NA funds: to carry the message to the addict that still suffers. The 12th concept of NA service gives the SCRCCNA a mandate from the NA groups that call for total Fiscal accountability. With this in mind, any misappropriation or misuse of funds by any regional trusted servant(s) or NA member(s) cannot be tolerated.
 - 1. The definition of "misappropriation of funds" includes, but is not limited to, theft, embezzlement, or use of NA funds for purposes not expressly authorized by the committee. This includes the theft of cash, check, any financial instrument (i.e., refunds, royalties, or rebates from vendors to the NA fellowship), or asset (i.e. equipment, supplies or physical inventory).
 - 2. Misconduct is defined as any action contrary to the 12 Traditions of NA, the 12 Concepts of NA service, the guidelines of the SCRSC, the guidelines of SCRCCNA, or violation of the California state or us federal law to the extent that such misconduct is detrimental to the NA fellowship. This includes conduct that creates a benefit to a member or outside enterprise to the detriment of the NA fellowship.
 - 3. Interim action – suspension. Should any SCRCCNA Executive Body member, committee member, or any nonelected NA member be suspected to have misappropriated or misused the SCRCCNA funds or have been involved in misconduct, the SCRCCNA Executive Body members will vote, in person or by phone, to immediately "suspend" the member(s) involved from further SCRCCNA service. Suspension in this instance is not disciplinary action; it is the pause in active service to allow time for investigation of the incident.
 - a) A suspended member may no longer represent him/herself to the fellowship or service boards/committees as a member of the SCRCCNA or its subcommittees. Additionally, a member upon notification of being suspended, by phone or letter from the Chair, may not be reimbursed for any service-related expenses incurred during the course of their suspension.

- b) Upon suspension of any member(s), the SCRSC executive committee duly elected officers must make a full and timely investigation of the matter and report the findings at the next SCRSC meeting.
 - c) Any member who participates in or who had knowledge of the suspected misappropriation or misuse of SCRCCNA funds or misconduct shall be subject to the same actions taken against the suspected member(s) and are required to be present at the SCRSC.
 - d) The presiding officer of the SCRSC, immediately upon calling the following SCRSC to order, must report all interim actions/decisions made by the executive committee duly elected officers, fully disclosed the alleged misappropriation or misuse of SCRCCNA funds or misconduct and the individual(s) involved. Any member suspected of misappropriation or misuse of SCRCCNA funds or misconduct may exercise the 10th concept of NA service to redress the issue at this time.
4. SCRSC action – removal and reinstatement. Once the SCRSC Executive Committee's duly elected officers investigate and report its findings of the suspected violation of this section, the SCRSC must immediately vote on a motion to remove the individual(s) from office and/or committee "with cause" to reinstate, or to extend the investigation. The Chair will notify said member by phone or certified mail as well as notifying the area by email or a letter delivered via the area's RCM.
- a) Should the RSC remove an officer(s) or member(s) with cause, the said individual's participation within the SCRCCNA is immediately terminated.
 - (1) Any member removed from office and/or committee by SCRSC for misappropriation of NA funds may no longer represent themselves to the fellowship or service boards/committees as an officer or member of the SCRCCNA or its subcommittees for a period of five (5) years from the date of the interim suspension.
 - (2) Any member removed from office and/or committee by SCRSC for misconduct may no longer represent themselves to the fellowship or service boards/committees as an officer or member of the SCRCCNA or its subcommittees for a period of two to five years, at the discretion of the SCRSC, on a case-by-case basis. (This period of time will be voted on and determined at the time of removal from office and/or committee.)
 - (3) If a trusted servant resigns from office or a committee prior to the SCRSC having taken the aforementioned action and reaching a final resolution, the SCRSC shall proceed to suspend the trusted servant. The SCRSC shall investigate the matter and follow the aforementioned process to its normal conclusion.
 - b) Upon reinstatement, by a required two-thirds vote of the SCRSC, said member's suspension will be lifted and the member will resume their role as a full participant of the SCRCCNA or its subcommittees, as applicable.
5. Restitution
- a) A member removed from office for the misappropriation or misuse of SCRCCNA funds might be subject to criminal and/or civil legal proceedings. A two-thirds majority vote of either the SCRSC or the SCRSC board of directors shall be required to file charges with the local law enforcement authorities, inclusive of the local police and district attorney's office.
 - b) Members removed from office for the misappropriation or misuse of SCRCCNA funds may, at the discretion of the SCRSC or SCRSC board of directors, be asked to sign a promissory note and make restitution in full of all misappropriated or misused SCRCCNA funds in lieu of filing charges.
